

ALEJANDRO I

SUSTAINABLE MANAGEMENT POLICY

O "Hotel Alejandro I" é uma empresa que presta serviços de alojamento, gastronomia, negócios e eventos sociais, presente no mercado turístico da Província de Salta desde 2005.

"Hotel Alejandro I" is a company that provides accommodation, gastronomy, business and social events services, present in the tourist market of the Province of Salta since 2005.

That is why we are committed to sustainable management in its three dimensions: environmental, social and economic. The Hotel establishes this Policy assuming the following commitments:

- Comply with the principles of sustainable tourism
- Comply with the legal requirements applicable to sustainable management.
- Optimize purchasing processes, prioritizing local and ecological producers.
- Preserve and promote cultural heritage, minimizing negative impacts on biodiversity and the landscape, while maximizing positive ones.
- Encouraging good practices for saving and reducing energy and water emissions.
- Manage our waste and discharges responsibly.
- Continuously train and protect human resources.
- Ensuring safety and hygiene in the establishment.
- Place value on local cultures and their economies, taking initiatives to improve their natural and social environment
- Prioritize the quality of service provided through customer service, continuously improving customer satisfaction.
- Define preventive and corrective actions that guarantee the continuous improvement of sustainable management.

The Management of Hotel Alejandro I assumes its responsibility in the definition and development of this Policy, in its updating, communication and understanding by all people who work for the organization. Likewise, it undertakes to disseminate it among its customers, suppliers and all interested parties in the sustainable management of the hotel.
